Any patient needing to cancel or reschedule their procedure must notify the Centre at least **TWO (2) BUSINESS DAYS** prior to their scheduled arrival at the Centre.

A cancellation fee of two hundred dollars (\$200) will be incurred by those patients who fail to keep their appointment or do not cancel their procedure in the allotted time.

Taking Your Colonoscopy Prep (Suprep)

The Day Before Your Procedure

Please follow the clear liquid diet **ALL DAY**; drink at least **64 ounces** of clear liquids throughout the day before taking prep.

At **6PM** the day before your procedure:

1. Pour one (1) 6-ounce bottle of SUPREP liquid into the mixing container.
2. Add cool drinking water to the 16-ounce line on the container and mix.
3. Drink ALL the liquid in the container!
4. You **MUST** drink at least two (2) more 16-ounce containers of water over the next 2 hours. Use the container included in the SUPREP kit.

The Day of Your Procedure

Six (6) hours before your procedure repeat the above steps 1 through 4 using the other 6-ounce bottle of SUPREP included in the kit.

During the 4 hours before your procedure, take nothing by mouth, not even water, chewing gum or candy, except for a small sip of water if needed for your medications. However, you may still brush your teeth prior to the procedure.

You must take heart, blood pressure, Parkinson's, seizure and asthma medications at least 2 hours before your procedure with a sip of water; unless told otherwise.

You MUST be accompanied by an adult home.

Special Hints Taking Prep:

- Drink it cold with a straw. 
- Suck on hard candy between drinks. 
- Slow down if nausea or vomiting develops. 
- Remain in easy reach of bathroom when you start prep.
