WHAT TO EXPECT

- Your procedure may be canceled under the following circumstances: failure to comply with prep instructions as written and or consuming anything by mouth within 3 hours of the procedure.

PLEASE REVIEW 1 WEEK PRIOR TO YOUR PROCEDURE

LOCATION

Capital Digestive Care (CDC) has many local offices and endoscopy centers. Some of our locations are in close proximity to one another.

- Endoscopy center patients may be asked to arrive 45-60 minutes early to complete intake activities.
- Hospital patients may be asked to arrive 1-2 hours early to complete intake activities.

Please review your appointment reminder notices for the accurate arrival time.

MEDICATIONS

Talk to your doctor about any medications or supplements that you take routinely. Do not stop any prescription medications unless instructed by your prescribing physician.

TRANSPORTATION

Some activities, such as driving, are not permitted until the day after your procedure. Arrange for a ride from someone who can take responsibility for your care (over the age of 18). Please ask them to park and enter the facility to escort you out of the building. They should arrive no later than 1 hour after your procedure time. If your appointment is after 3:00 pm, your ride must arrive no later than 4:30 pm. Ride services such as Uber, Lyft, taxi service, etc. are not permitted.

CANCELLATION

Our practice requires notification of cancellation within one (1) week, otherwise, a fee of \$150 will apply.
